COMPANY ANNOUNCEMENT 19th February 2010

GLOBAL ALLIANCE AGREEMENT SIGNED WITH COMPUTER SCIENCES CORPORATION

Prophecy International and Computer Sciences Corporation (NYSE listed CSC) have signed a Global Alliance Reseller Agreement. The aim of this agreement is to work together to identify and develop joint business opportunities in Utilities billing utilizing the Prophecy basis2 Utility Billing solution. CSC sees significant competitive advantage in the global mid market segment with the basis2 architecture, configuration capabilities and cost to serve. CSC has a strong industry presence and capability in serving the needs of utilities around the globe.

Prophecy and CSC will work together to serve the global Utilities market to deliver customer solutions leveraging Prophecy's basis2 product suite and CSC's consulting, systems integration and managed services expertise. Jointly we are targeting a substantial incremental sales goal to enhance current operations.

The agreement provides CSC with non-exclusive rights to sell basis2 software licences to any utility, for any service in any country. Joint go to market activities and prospective client engagements are in process.

Prophecy is pleased to be able to utilize its world beating billing solution in partnership with an integrator that has the global market reach of CSC and looks forward to future success.

About CSC

CSC is a global leader in providing technology-enabled solutions and services through three primary lines of business. These include Business Solutions and Services, the Managed Services Sector and the North American Public Sector. CSC's advanced capabilities include systems design and integration, information technology and business process outsourcing, applications software development, Web and application hosting, mission support and management consulting. Headquartered in Falls Church, Va., CSC has approximately 92,000 employees and reported revenue of \$16.0 billion for the 12 months ended October 2, 2009.
